Our winning client proposition

Specialist Underwriting

We specialise in Property, Casualty, Marine and Financial Lines insurance products in the Construction, Energy, Financial Institutions, Healthcare, Life Science, Manufacturing, Natural Resources, Professional Services and Technology sectors.

We provide insurance solutions in response to our policyholders' emerging exposures and ever-changing needs, and offer a flexible approach enabling us to consider complex and unusual risks.

We underwrite primary and excess limits as well as take lead and follow positions in our specialist areas.

Expert Risk Control

Businesses trust us because we understand the intricacies of the risks they face.

Our risk control engineers, who hold professional qualifications in the sectors in which we operate, support policyholders by minimising risk across their business.

We believe that prevention is better than cure which is why we not only provide best in class risk control consultancy but also create effective risk management programmes, undertake on-site and remote loss prevention surveys and deliver tailored training.

Client-led Claims

Our claims team is ready to work with you quickly, openly and efficiently to achieve resolution in the shortest possible time and with the best possible outcome.

We have specialists in every class of business so that each and every claim, no matter how large or small, how simple or complex, gets immediate attention from the right people in the right place at the right time.

We recognise the importance of reputation and will act swiftly to support you in resolving any claims in a professional and timely manner.

International Solutions

As businesses expand internationally, their exposure to new and complex risks increases.

We provide locally compliant coverage under one controlled master policy, making it easier for policyholders to manage their cover, premiums and claims in one place so they are always in control.

We know that establishing a best-in-class network, with all parties sharing a common operational vision and culture is critically important to the success of a joined-up, multinational programme.

Cover designed for national and international trade
